One or more reports depending on the duration of the action.

ARTICLE 21 — REPORTING — PAYMENT REQUESTS

The coordinator must submit a periodic report **within 60 days** following the end of the reporting period.

The **periodic report** must include:

- (b) a **financial part** including:
 - the financial statements (individual and consolidated; for all beneficiaries/affiliated entities)
 - the explanation on the use of resources (or detailed cost reporting table, if required)
 - the certificates on the financial statements (if required; see Article 24.2 and Data Sheet, Point 4.3).

At the end of each reporting period all beneficiaries receive a notification to log on the F&T portal and complete:

- Their own Financial Statement (and the financial report of their affiliated entity, if any).
- Their contribution to the Technical Part of the Periodic Report (this is common for all beneficiaries in the project)

Only users with the roles Participant Contacts, Project Financial Signatories and Task Managers can perform this action!

TECHNICAL & FINANCIAL IMPLEMENTATION

- Rejects the reports

Step 5:

The final payment is executed with the completion of the process

ARTICLE 29 — SUSPENSION OF PAYMENT DEADLINE 1/2

29.1 Conditions

The Agency may — at any moment — suspend the payment deadline if a payment cannot be processed because:

- (a) the required report (see Article 21) has not been submitted or is not complete or additional information is needed
- (b) there are doubts about the amount to be paid (e.g. ongoing audit extension procedure, queries about eligibility, need for a grant reduction, etc.) and additional checks, reviews, audits or investigations are necessary, or
- (c) there are other issues affecting the EU financial interests.

ARTICLE 31 — SUSPENSION OF PAYMENT DEADLINE 2/2

29.2 Procedure

The Agency will **formally notify the coordinator of the suspension and the reasons why.**

The suspension will **take effect the day notification is sent.**

- If the conditions for suspending the payment deadline are no longer met, the suspension will be **lifted** — and the remaining period will resume.
- If the suspension exceeds two months, the coordinator may request the Agency if the suspension will continue.
- If the payment deadline has been suspended due to the non-compliance of the technical or financial reports and the revised report or statement is not submitted or was submitted but is also rejected, the Agency may also terminate the grant or the participation of the coordinator (see Article 32).
