represented by

Exchange expertise on the funding programmes, identify synergies, as well as to better support applicants by providing a full overview of EU health-related opportunities

1. Purpose of this Memorandum of Understanding

This Memorandum of Understanding (MoU) expresses the intention of both Parties to define and conduct a joint line of actions in order to maximize synergies and avoid duplication of efforts in the relevant activities each Party carries out. It also identifies a number of joint activities and means of interaction to foster a smooth and mutually beneficial cooperation, ultimately leading both Parties to provide high-quality services to potential Horizon Europe applicants (notably researchers, enterprises, research centers, NGOs etc.) in their respective field of competence and national systems.

2. Description of Concerned Parties

The Parties committing themselves to implement this MoU are the following:

1. Health NCP Net (HNN 3.0)

APRE is the Coordinator of the HNN3.0 project funded under Horizon Europe, which was concluded with the Funding Authority as Grant Agreement No. 101057279. The partners of the HNN3.0 project have accessed to the Grant Agreement, concluded a Consortium Agreement and have authorized its Coordinator to conclude this Memorandum of Understanding, hereafter MoU, with EEN SG Health.
