### Digital Assembly

On 15–16 June, the Swedish Presidency of the Council of the European Union and the European Commission will host the **Digital Assembly** on the theme of a digital, open and secure Europe.

The objective is for Europe to be at the forefront of technology and develop a competitive digital single market based on a strong focus on cyber security during the Digital Decade.

The Digital Decade provides the EU with opportunities for innovation, growth and competitiveness at global level to achieve a digital and open Europe. In addition, digitalisation is increasing rapidly, which means that security must be enhanced. A solid foundation – which is stated in the 2030 Digital Compass – is crucial to for the Digital Decade to succeed.

### Face2Face Brokerage for Digital Europe calls

The **Digital Europe Programme (DEP)** aims to build the strategic digital capacities of the EU and to facilitate the wide deployment of digital technologies. With an overall budget of €7.5 billion, the programme supports investments in multiple areas, including: High Performance Computing; Cloud, data and Artificial Intelligence; Cybersecurity; Advanced digital skills; and accelerating best use of technologies.

The 2023 **Calls for proposals** under the Digital Europe Work Programme 2023-2024 were published on the Funding and Tender Portal in May 2023. On the occasion of the Digital Assembly and the publication of the 2023 calls, **Ideal-ist, the network of National Contact Points for Digital research & innovation** invites you to participate in a **brokerage platform for networking** and **pre-arranged Face2Face meetings**.

**This brokerage platform offers a unique networking opportunity for actors in the DIGITAL field! Follow us via #F2F2023**

### Why participate?

- get the latest information from the European Commission
- build quality partnerships for participating in Digital Europe
- the setup of project consortia for Horizon Europe calls
