Joint Action on Increasing  
Capacities of National  
Focal Points

---

Twining edition N° 5

**Date:** 25 January 2023

**Place:** Lisbon (Portugal)

**Venue:** Av. João Crisóstomo nº 9 1049-062, Lisbon

**Host:** General Secretariat of the Ministry of Health

**Co-organizer:** [APRE](#) (Contact Persons: [debonis@apre.it](mailto:debonis@apre.it); [mourenza@apre.it](mailto:mourenza@apre.it); [buonocore@apre.it](mailto:buonocore@apre.it))

**CONCEPT**

The Joint Action on Increasing the Capacity of National Focal Points (NFP) (NFP4Health) is a 40-months action by the European Commission with the main objective of creating and maintaining an innovative ecosystem to facilitate and support European countries in achieving health objectives priorities established for the period 2021-2027. By developing and strengthening the National Focal Points (NFPs) capacities of European Countries, the Joint Action aims to provide quality access to the new EU4HEALTH Programme and to assure the complementarity with other regional, national and EU policies, funds and programmes. This action will allow maximizing efforts to leverage all available health funding, to guarantee the accessibility and sustainability of healthcare systems. NFP4Health project will contribute to create an innovative, sustainable and coherent network of NFPs that will increase the capacity of the Member States to design and create sustainable implementation actions that will boost the achievement of health objectives for the period 2021-2027.

As part NFP4Health, Task 6.3 "NFPs Twining Programme" will be organised to share in a structured and output-oriented way approaches, good practices and tools between/among NFPs.

Eight editions of the Twining programme are foreseen for NFPs, focusing on countries with low participation rates or newly nominated NFPs, in order to provide opportunities for exchange of experiences and good practices, and to improve successful national NFP services. Sharing experiences, skills and ideas enables NFPs and NFP networks to develop and scale-up approaches, services and tools targeting stakeholders. This exchange might be more important due to the beginning of the new Programme and will be managed by virtual interaction (Zoom, Skype) and site visits, to meet the team and learn about a specific set of activities/tools.

**Thematic focus for this edition:**

1. *Synergies between EU4Health and Horizon Europe (Health Cluster and Mission on Cancer)*
2. *Competent Authorities nomination in Joint Actions*
3. *Stakeholders' Mapping & Engagement: from WP2023 to WP2024*
4. *Unit Costs*
