JA NFP4Health in a nutshell

- **JA NFP4Health:** funded under the 3^o Health Programme aims at creating an **advisory system** to participants that operate locally, and with the capacity of allowing **equitable participation** in the EU4Health Programme → **training & twinning activity** (*Lithuania, Latvia, Ukraine*)
- To develop and to strengthen NFPs capacities of Member States → **Transnational Training Programme with a focus on the stakeholders as well**
- To assure the **complementarity** with other regional, national and EU policies, funds and programmes → **the importance of reinforcing the knowledge and boost, stimulate synergistic actions by engaging key actors at the national levels** (*WP5 activities*)

- Need for a **cross – fertilization dialogue on synergies** and **develop an ex-ante strategy on how to stimulate synergies**. Evident need for greater clarity concerning the Commission's priorities for synergies and clear guidance for networks and applicants on how to maximise synergies → **JA NFP4Health activities aiming at focusing on this approach** (*organization of the event Synergies among Programmes by*

HaDEA, June 2023)

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

JA NFP4Health – Lab Learning By Doing & Twinning Programme

- **Lithuania, Latvia, Ukraine** → **ensure equitable participation** and address common challenges due to healthcare systems configuration
- Reorganisation of the hospital system in the Baltic countries → The Commission supported the health authorities of Estonia, Latvia and Lithuania in improving their hospital systems to deliver healthcare that is safe, accessible and effective through the **Structural Reform Support Programme (SRSP)** (previous TSI programme 2017-2020) without disproportionately rely on hospital care
- **Twinning Programme WP6** → focus on countries with low participation rates or newly nominated NFPs, to provide opportunities for exchange of experiences and good practices, in order to scale-up approaches, services and tools targeting stakeholders → **important preparatory activity for follow-up twinning online with Task Leaders**
- **Learning by Doing Lab WP6** → verify or simulate the conditions for the preparation of investments or a pipeline of projects proposals under EU4Health which would benefit from complementarity and synergies with other forms of support and different funding streams

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

The JA NFP4Health and the EU4Health Programme

EU4Health Programme: Regulation establishing a Programme for the Union's action in the field of health ('EU4Health Programme') for the period 2021-2027, and repealing Regulation (EU) No 282/2014

EU4Health implements existing legislative and nonlegislative instruments of Union health initiatives and their preparatory actions → Policy Implementation Tool

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

The JA NFP4Health and the EU4Health Programme

EU4Health – 4 General objectives

EU4Health Programme is the financial instrument that paves the way to a European Health Union

IMPROVE & FOSTER HEALTH through disease prevention and health promotion, as well as international health initiatives and cooperation

PROTECT PEOPLE from serious cross-border health threats through prevention, preparedness and response to cross-border health threats, complementing national stockpiling of essential crisis-relevant products and establishing a reserve of medical, healthcare and support staff;

IMPROVE ACCESS TO MEDICINAL PRODUCTS, MEDICAL DEVICES & CRISIS-RELEVANT PRODUCTS by encouraging sustainable production and supply chains and innovation in the Union as well as efficient use of medicinal products;

STRENGTHEN THE NATIONAL HEALTH SYSTEMS through improved health data use and re-use, development of digital tools and services, digital transformation of healthcare, enhancing access to healthcare, developing and implementing Union health legislation and evidence-based decision-making and integrated work among MS health systems.

EU4Health Programme: Synergies & Complementarities

Ref: European Commission

Article 37 / Regulation establishing a Programme for the Union's action in the field of health ('EU4Health Programme') for the period 2021-2027, and repealing Regulation (EU) No 282/2014

«In order to optimize the added value and impact from investments funded wholly or in part through the budget of the Union, synergies should be sought in particular between the Programme and other Union programmes, including those under shared-management»

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

EU4Health Programme: Annual Approving Process

EU4Health – annual programming process

- **INPUT, CONSULTATION, INFORMATION** – on priorities, strategic orientations and needs

- **PREPARATION** – the Commission drafts the annual work programme

- **COMMITTEE PROCEDURE** – opinion of the EU4Health Programme Committee

- **ADOPTION BY THE COMMISSION'S COLLEGE** – implementing acts

Ref: European Commission

Article 52 / Regulation establishing a Programme for the Union's action in the field of health ('EU4Health Programme') for the period 2021-2027, and repealing Regulation (EU) No 282/2014

«The implementation of the Programme should be such that the responsibilities of the Member States for the definition of their health policies and for the organisation and delivery of health services and medical care are respected. Strong involvement of Member States in the governance and implementation of the Programme should be ensured»

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

EU4Health Programme: Mental Health Policies

The European Commission has launched in December 2021 the **Healthier together – EU non-communicable diseases (NCD) initiative** to support EU countries in identifying and implementing effective policies and actions to reduce the burden of major NCDs and improve citizens' health and well-being.

The initiative covers the 2022-2027 period and includes 5 strands:

- health determinants
- cardiovascular diseases
- diabetes
- chronic respiratory diseases
- **mental health and neurological disorders**

Ref: European Commission

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

EU4Health Programme: Mental Health Policies

On **June 7, 2023**, the Commission adopted the Communication "**A Comprehensive Approach to Mental Health**" whose goal is to ensure a **new cross-sectoral approach to mental health issues**. With **20 flagship initiatives** and **1.23 billion euros of EU funding** from different financial instruments, the Commission aims to support Member States to support actions to prioritize mental health.

The EU will take a **holistic approach to mental health**, based on **three guiding principles**:

- adequate and effective prevention
- access to high quality and affordable mental healthcare and treatment
- reintegration into society after recovery

Ref: European Commission

This presentation is part of the action "NFP4Health" which has received funding from the European Union's Health Programme (2014-2020) under grant agreement No 101035965.

Mental Health Policies: The Flagship Initiatives

Integrating mental health across policies

- European Mental Health Capacity Building Initiative

Promoting good mental health, prevention and early intervention for mental health problems
